All insurance shall be procured from reputable insurers authorized and qualified to do business in North Carolina and in a form acceptable to the County. The limits of coverage under each insurance policy maintained by the Vendor shall not be interpreted as limiting the Supplier's liability and obligations. Nothing in this section is intended to affect or abrogate Edgecombe County's governmental immunity.

17. GENERAL INDEMNITY: The Vendor shall hold and save Edgecombe County, its officers, agents, and employees, harmless from liability of any kind, including all claims and losses accruing or resulting to any other person, firm, or corporation furnishing or supplying work, Services, materials, or supplies in connection with the performance of The Contract, and from any and all claims and losses accruing or resulting to any person, firm, or corporation that may be injured or damaged by the Vendor in the performance of The Contract and that are attributable to the negligence or intentionally tortious acts of the Vendor provided that the Vendor is notified in writing within 30 days from the date that the County has knowledge of such claims. The Vendor represents and warrants that it shall make no claim of any kind or nature against the County's agents who are involved in the delivery or processing of Vendor deliverables or Services to the County. The representation and warranty in the preceding sentence shall survive the termination or expiration of The Contract.

18. CONFLICT OF INTEREST: Per N.C. General Statute 14-234, no public officer or employee who is involved in making or administering a contract on behalf of a public agency may derive a direct benefit from the contract.

The statute defines "public officer" as an individual who is elected or appointed to serve or represent a public agency, other than an employee or independent contractor of a public agency.

A public officer or employee is involved in administering a contract if he or she oversees the performance of the contract or has authority to make decisions regarding the contract or to interpret the contract; or if he or she participates in the development of specifications or terms or in the preparation or award of the contract. A public officer is also involved in making a contract if the board, commission, or other body of which he or she is a member takes action on the contract, whether or not the public officer actually participates in that action, unless the contract is approved under an exception to this section under which the public officer is allowed to benefit and is prohibited from voting.

There is a conflict of interest when a public officer or employee derives a direct benefit from a contract if the person or his or her spouse: (i) has more than a ten percent (10%) ownership or other interest in an entity that is a party to

the contract; (ii) derives any income or commission directly from the contract; or (iii) acquires property under the contract.

19. **CONFIDENTIALITY**: Any County information, data, instruments, documents, studies or reports given to or prepared or assembled by or provided to the Vendor under The Contract shall be kept as confidential, used only for the purpose(s) required to perform The Contract and not divulged or made available to any individual or organization without the prior written approval by Edgecombe County.
20. **COMPLIANCE WITH LAWS**: Vendor shall comply with all laws, ordinances, codes, rules, regulations, and licensing requirements that are applicable to the conduct of its business and its performance in accordance with The Contract, including those of federal, state, and local agencies having jurisdiction and/or authority.
21. **ENTIRE AGREEMENT**: This RFP and any documents incorporated specifically by reference represent the entire agreement between the parties and supersede all prior oral or written statements or agreements. This RFP, any addenda hereto, and the Vendor's proposal are incorporated herein by reference as though set forth verbatim.

All promises, requirements, terms, conditions, provisions, representations, guarantees, and warranties contained herein shall survive the contract expiration or termination date unless specifically provided otherwise herein, or unless superseded by applicable Federal or State statutes of limitation.
22. **AMENDMENTS**: This Contract may be amended only by a written amendment duly executed by the County and the Vendor.
23. **NO WAIVER**: Notwithstanding any other language or provision in The Contract, nothing herein is intended nor shall be interpreted as a waiver of any right or remedy otherwise available to the County under applicable law. The waiver by the County of any right or remedy on any one occasion or instance shall not constitute or be interpreted as a waiver of that or any other right or remedy on any other occasion or instance.
24. **FORCE MAJEURE**: Neither party shall be deemed to be in default of its obligations hereunder if and so long as it is prevented from performing such obligations as a result of events beyond its reasonable control, including without limitation, fire, power failures, any act of war, hostile foreign action, nuclear explosion, riot, strikes or failures or refusals to perform under subcontracts, civil insurrection, earthquake, hurricane, tornado, or other catastrophic natural event or act of God.
25. **SOVEREIGN IMMUNITY**: Notwithstanding any other term or provision in The Contract, nothing herein is intended nor shall be interpreted as waiving any claim or defense based on the principle of sovereign immunity or state or federal constitutional provision or principle that otherwise would be available to the County under applicable law.
