

Edgecombe County Fireman's Association

## Fireman's Day October 12, 2013

10:00 am to 2:00 pm - Lowes parking lot - Tarboro NC 27886

---

### Schedule of events:

**10:00 am** - opening of the events, which will include fire trucks, ambulances, specialty equipment, command & communication vehicles, helicopters from forestry and Vidant health systems

**11:00 am** - NC Forestry service will demonstrate the use of their helicopter and its ability to dump water on a fire.

**12:00 pm** - Edgecombe County Emergency Services will demonstrate the outcome from putting a frozen or damp turkey into a hot fryer. This will show the public what can happen when frying during the upcoming holidays.

**12:30pm** - a CPR flash mob will perform CPR at various locations around this time to demonstrate how CPR is performed to the public.

**1:00 pm** - A mass casualty event will be done. This will incorporate a school bus and a vehicle collision with multiple casualties being triaged. The vehicle will have a dummy inside that will be extricated using hydraulic tools and equipment that the fire service has to stabilize the vehicle.

### Other events ongoing throughout the day are:

- Fire safety Trailer for the kids & families to see home hazards that relate to fire & life safety.
- CPR booth that will teach CPR to the public
- A small simulated house will have fake fire in the windows and children will be able to use and actual fire hose to knock out the flames.
