A-1-2 Required Information on Minor and Major Subdivisions, Sketch Plans, Plot Plans, and Site Plans

Submission of all maps and/or plans shall contain the following information before submission to the planning department for review. The information required on sketch plans is delineated in Section 10-3.2 (B). An 'X' indicates required information. Information required on site plan sheets is indicated by the following codes: 'A' to be included on all sheets, 'S' to be included on Site Plan sheet, 'U' to be included on Utility sheet, and 'L' to be included on Landscaping sheet. Depending on the scale or complexity of the development, any or all the sheets may be combined. Additional information may be required for approval of the site plan. The Zoning Administrator may waive items required if it is judged that they are not necessary to complete the review.
