

# "LET'S MAKE PRINCEVILLE GREAT AGAIN"

Greetings,

The Town of Princeville, North Carolina will celebrate its 130<sup>th</sup> year of incorporation the week of February 2-8, 2015. Princeville is the oldest town incorporated by blacks in America. Our rich history has brought us to a week of festivities. Our Mayor, Bobbie Jones and the Commissioners are all excited and anxiously await the celebration.

Our desire is to bring back former citizens and honor the current with a town celebration. We are planning to have activities from the youngest to the oldest citizen. Attached for your review is a listing of our scheduled activities for the week.

Your support in our endeavor is greatly needed. Please consider one or more from the list below and respond by November 30, 2014. The kind donation(s) will set the stage for a great week of historical renewal. Please make checks payable to: The Town of Princeville, 201 South Main Street, Princeville, NC 27886 c/o 130<sup>th</sup> Birthday Town Committee. If you have any clarifying questions, please feel free to contact our event Chair: Dr. Glenda Lawrence-Knight at 252-538-1384.
