APPLICATION FOR TEMPORARY MAIN POWER

This application has been submitted to request temporary main power to the structure. Temporary main power is granted for utilization of portions of the permanent wiring system within a building to facilitate construction.

The RESPONSIBLE AGENT shall fully comply with their responsibilities under Article 10 of the National Electrical Code as it relates to the temporary main power release.

******* Statement of Clarification *******

The structure shall not be occupied until all work has been completed and inspected by the Edgecombe County Code Enforcement Office. When the final inspection has been performed and approved, a certificate of occupancy will be issued and notification of permanent power release given to the serving utility. **ONLY THEN CAN THE STRUCTURE BE OCCUPIED.** Premature occupancy is illegal and will result in full remedy as provided for by the North Carolina State Building Code. Energizing without authorization will be dealt with per Section 10.8.11 of the National Electrical Code and Section R 111.1.2(8) of Volume VII of the North Carolina State Building Code.

1. If the Edgecombe County Code Enforcement Office does not receive a request for a final inspection before the expiration date of the temporary main power, or if the project is found to be or to have been occupied, Edgecombe County will immediately inform the serving utility that the service is to be disconnected.
2. The Owner and /or Contractor, by virtue of executing this document, acknowledge that the servicing utility will disconnect, without liability to the utility or the county, upon notification by the Edgecombe County Manager of an occurrence as set forth in (1) above.
