

HOW DO I DISPLAY MY ADDRESS?

As required by the Edgecombe County Addressing Ordinance, Section 9: Enforcement and Standards, numbers must be at least 4 (four) inches in height and contrast with the home [not be of a color that blends in with the color of the house]. If your house or business is not visible from the road your address must also be displayed at the driveway that leads to your home.

WHAT DO I PUT ON MY MAILBOX?

The US Postal Services requires that addresses must be displayed on the mailboxes. The digits must be at least one inch high and should be displayed on the front and side. If your mailbox is in a group you do not need to put your address on the side of your mailbox.
